Nine Lives Books will host its third psychic fair this Saturday, April 30 from 10:00-6:00. A great attraction during the in-door fair will be a 1:00 demonstration by Dr. So, Gold Medal winner of the Beijing Thai Chi Championships. After the demonstration, Dr. So will talk about how ancient Chinese medicine can keep your health vibrant.

Also on hand, Pet Psychic Lisa Williams, an astrologer and a tarot card reader, a system of fortune-telling using a pack of 78 cards. An I-Ching reader will use coins to read the future. A Shamanic Healer will teach San Antonians to use their healing instincts to melt the ice in their hearts and release the pain that limits them. The news media is invited to attend the free fair at any time, but the most visual opportunity will be during the Thai Chi demonstration at 1:00. Photographers and reporters are welcome to talk to anyone in the store, plus get video of the six cats that call the store home.

A portion of proceeds from Nine Lives Books goes to the 10th Life Cat Sanctuary, an adoption center plus a home for cats with special needs to live long lives. Nine Lives Books is located at **4919 NW Loop 410**, in the Village at the Summit Shopping Center.
